Re: LETTER OF REFERENCE

It is with great confidence that I put forward this recommendation for Durlach Industries, Inc and its President, Klaus Durlach. Our company has worked with Durlach Industries for the last three years on the MacDill Air Force Base Military Family Housing Privatization Project building homes for our US Soldiers.

The 151-acre parcel holds a formal park and parade ground lined with large homes for officers of the highest distinction, including four-star generals and admirals assigned to the base, along with smaller homes and duplex units for junior officers and enlisted families.

Clark MacDill Builders has found Durlach Industries to provide quality work and be very reliable and dependable in completing the project. I would like to express our confidence in Klaus and our desire to work with him and his team on future projects.

Please feel free to contact me if you would like to discuss further.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Panos", is written over the typed name.
